AFTER COP15: WHAT'S NEXT FOR BUSINESS? Breakfast Meeting and Panel Discussion

Thursday, 28 January 2010, 8:00 am-10:00 am

The Hong Kong Business Coalition on the Environment (BCE), InterCham, Hong Kong General Chamber of Commerce and Civic Exchange are organising a Post-COP15 breakfast session on 28 January 2010.

This session will take the form of an address by Mr Simon Reddy, Executive Director of C40 Large Cities Climate Leadership Group focusing on the way forward for global efforts in managing climate change.

The second part of this important session will be a panel discussion with Hong Kong delegates who were at the COP15 meeting in December 2009. Our Panel Moderator is Ms Christine Loh, Chief Executive, Civic Exchange and she will be joined by Dr Jeanne Ng, Environmental Director – Group Affairs, CLP Holdings and Dr Glenn Frommer, Head of Sustainability, MTR Corporation who will share their insights on possible directions for Hong Kong in carbon reduction and developing a low carbon economy.

Despite the lack of a binding global carbon framework at COP15, global and local efforts are continuing on finding a more satisfactory solution for managing climate change. Through this session, the BCE aims to forge common

understanding and unite supporters in the call for actions by the government and stakeholders.

Please join us to add your voice!

Simon Reddy is a highly motivated, innovative and experienced leader, with a proven record of high-level political negotiation, communication and partnership building. He has served as the Executive Director of the Global Secretariat of the C40 Large Cities Climate Leadership Group since March 2007, responsible for setting up and running a global network of cities committed to reducing greenhouse gas emissions, providing strategic advice to generate political momentum, and developing working programmes to share best practices.
