Thriving in the Dynamic: Refocusing for Growth

The venture and start-up market have taken a new shape and sentiment upon waves of pandemic and geo-political volatility. How can entrepreneurs relaunch with strategic resilience to capitalise the emerging opportunities from the recovery? Cyberport's annual premiere venture forum, CVCF 2022 will unveil the latest tech venture landscape, diving into investors' focus and priorities, and discuss start-ups' strategies for innovation breakthroughs and roadmap to tap into larger markets like the GBA and Asia.

Connecting capital, innovation, entrepreneurship and growth – the region's signature venture conference you cannot miss!
