

With the support from HSBC, Business Environment Council (“BEC”) has launched the three-year [Carbon Disclosure Programme](#) in 2022, aiming at encouraging and facilitating climate-related disclosures amongst companies in Hong Kong. The Programme offers **cost-free opportunity** for eligible companies to use CDP, an international climate disclosure platform, and embark climate-related disclosure.

Companies can now express their interest through the [EoI form](#). BEC will reach out to companies, invite them to register as a CDP user, and provide guidance support for them to start their climate disclosure journey. Companies will be invited to respond to the Climate Change Questionnaire on a yearly basis.

**The 2024 Disclosure Cycle will begin in June 2024. BEC will close the EoI form on 30 May 2024.**

憑藉匯豐銀行的支持，商界環保協會於 2022 年啟動了為期三年的[碳披露計劃](#)，旨在鼓勵和促進香港企業進行氣候相關披露。本計劃為符合資格的公司提供了一個無成本的機會，使它們能夠使用國際氣候披露平台 CDP，並開始進行氣候相關披露。

公司現可透過[意向表達表格](#)表達其興趣。商界環保協會將主動聯繫這些公司，邀請它們註冊成為 CDP 用戶，並提供指導支持，幫助它們開始氣候披露之旅。

**2024 年的披露周期將於 2024 年 6 月開始。商界環保協會將於 2024 年 5 月 30 日關閉意向表達表格。**
