

**Education Policy Unit Faculty of Education The University of Hong Kong**  
Pokfulam Road, Hong Kong

May 24, 2022

To Corporate Members of Hong Kong General Chamber of Commerce

Dear Sir/Madam,

**Study on the Provision of International School Places in Hong Kong**

Please be informed that Policy 21 Limited has been commissioned by the Education Bureau to conduct the above study. Policy 21 is a research institution established by The University of Hong Kong in July 2000 which has become independent from the University since May 2009. I am the Principal Investigator of the study.

As part of the study, we would be conducting a Business Survey of companies with employees who are current or previous holders of employment visas. The purpose is to obtain information and to solicit their views on the provision of international school places, taking into account the education needs of their children in Hong Kong.

I should be most grateful for your assistance in participating in the Survey using any of the methods listed in **Annex**. Please rest assured that all information supplied by your company will be kept in strict confidence and used solely for statistical purposes.

Even if your company does not have employees who are current or previous holders of employment visas, please complete the questionnaire as far as possible. Information provided you will help the Hong Kong Government in reviewing the provision of international school places in Hong Kong and the support measures for the international school sector.

If you have any queries on the Survey, please do not hesitate to contact Ms. Jenny Lau of Policy 21 Ltd. on 3121 8030 (9:30 a.m. - 5:30 p.m., Monday - Friday).

Thanking you in anticipation of your assistance,

Yours faithfully,

Emeritus Professor Kai-ming Cheng  
Honorary Director, Education Policy Unit

c.c. Dr. Nutsa Kobakhidze, The University of Hong Kong  
Mr. YIP Hak Kwong, Policy 21
