

Special Invitation Chamber Women Executives Club (WEC)

The **Chamber WEC** is a club-structure group composed of female Chamber members only. Being part of the Chamber membership, you and your female colleagues are eligible to join WEC. With an aim to strengthen the fellowship of female Chamber members, WEC organizes various activities that suit the interests of women. By facilitating intellectual exchange of women participants; raising awareness of social and educational issues, and contributing in terms of charitable activities, WEC "adds a human face" to the Chamber.

We welcome your participation and contribution in developing activities specifically for the contemporary woman business executives including life appreciation, personal growth, and more. So don't miss this excellent networking platform for business women to meet, learn and share! Join us today!
